

Co-Curricular Activities (CCA) at RGS

Anyone can steer a ship in calm waters, but not every student is able to weather difficulties with resilience and fortitude. The CCA programme at RGS is a four-year journey of self-discovery, where students learn the importance of passion, appreciate the value of teamwork and embrace the magic of persistence.

We have 44 CCAs to cater to the varied interests of our students. Many of these CCAs will excite any student especially when they are presented with opportunities that include competitions, overseas trips, workshops and performances.

Most importantly, CCAs develop camaraderie among students who share similar passions or talents.

Sports

- Badminton
- Basketball
- Fencing
- Golf
- Gymnastics
 - o Artistic & Trampoline
 - o Rhythmic
- Judo
- Netball
